

The secret mystery

Nicklas Koski, 1998

This mysterious man changed the way I see.

I see the way this mysterious man changed.

Flashing colors. Virtual reality. Looking behind the
Brandenburger Tor.

No idea what this mindlessness means. And why the document
is in the trashcan.

Recycle the trash. get a megabyte. Open your mind and make
an illegal action the way this man changed the way I see.

Electric interruption at news dot com.

Why did news interrupt the electric dot com?

They hide the secret in the source code. Too long to load the
way that man changed the mysterious man.

This mysterious man changed the way I see.
